

James Jones

James is 45 years old and likes to play all kinds of sports, although not very well.

He loves going to Theme Parks and Riding the fastest Rollercoasters in particular.

In his lifetime he has been sailing fishing and done lots of water based activities, and is always up for a new challenge.

He enjoys activities that include all of his family. Along with water activities he is a bit of an adventurer and would like to spend some part of his holiday on an extreme sport.

He is keen to explore the culture of the place he travels to finding out about the history of the country in particular.

Zara Jones

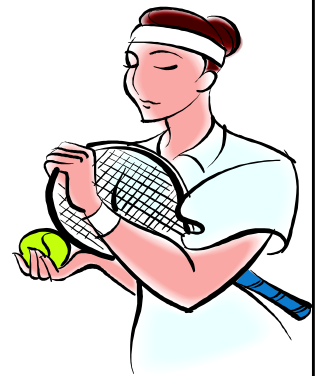

Zara runs the family home and is very active. She likes walking and nature, and has a keen interest in gardening.

She has a degree in Geology and would like to see nature in action, particularly a volcano.

Zara likes shopping but not too much. She collects miniature figurines of each place she visits as a reminder of the family holidays.

While she was growing up, she enjoyed playing tennis and flying a kite on the beach with her parents.

As an active person, she enjoys beach sports but also likes to read by the pool to unwind.

Tish Jones

Tish at 15 is the younger of the two children and likes a nice lazy time relaxing by the pool.

She is active if there is a Theme Park nearby, as Tish is a thrill seeker who likes a walk on the wild side.

Her holiday would be perfect if she could go White Water Rafting, as she has been Aquabiking and Water-skiing on previous holidays with her mum.

Tish likes to relax on the beach, but she is also keen to take part in beach sports.

Like most women, she enjoys retail therapy and would like to take advantage of the favourable exchange rates.

Henry Jones

Henry is 16 and follows his dad in most things.

He is sporting but also an adventurous type who likes to explore the local surroundings.

Watersports play a big part of his life, he likes to Dive, windsurf, and has been Parasailing and Water-skiing on previous holidays.

He enjoys history and has a keen interest in archaeology.

What he would like to do most of all on his holiday is either a parachute Jump or go for a flight in a helicopter or Hot Air Balloon.
