These are our costs for UK calls. There is no difference between off-peak or peak times, call rates always remain the same. Virgin Mobile will not charge for the freephone numbers of charities and helplines listed on our website. Our calls are billed per second and our charges are rounded up to the nearest penny.

Calls to landlines ¹ , Virgin Mobiles, ² WAP, Freephone and Groupcall	15p per minute
First 5 minutes of calls each day ^A	
Each minute after that	5p per minute
Calls to other network mobiles ²	40p per minute
Text to other Virgin Mobiles ²	3p per message
Text to other network mobiles ²	12p per text
Minimum call charge	10p per call

^A Build up of minutes. All calls count towards your daily build up of minutes except free calls, calls from abroad and flat rate calls e.g. a call to our team. This means that after 5 minutes of calls each day you will get down to your 5p/minute rate on landline, Virgin Mobile, freephone, groupcall and WAP calls.
