

Checklist

Your Tasks:

- Choose the travel and accommodation for the Joneses holiday
 1. Travel to airport
 2. Flight
 3. Hotel
- Calculate the costs in £ and carbon
- Try to offset some carbon by suggesting 1 or 2 sacrifices for each member of the family
 1. Mr Jones
 2. Mrs Jones
 3. Tish Jones
 4. Henry Jones
- Complete the everyday savings sheet - some cost and some are "free"
- Choose which long term saving Mr Jones will have
 1. Cavity Wall Insulation or
 2. Loft Insulation
- Can he have both with the savings from the car?
- Complete the Cash and Carbon costs summary sheet
- buy carbon credits
- work out the total cost of their holiday in cash, and make sure the carbon cost is Zero
- Now you have a cash and carbon value of the holiday, can you improve it?
